# The Meadows Home

# Testimonials:

At The Meadows Home, we are committed to providing the highest quality of personalized care in order to enhance the quality of life of our residents in a warm family atmosphere. We treat everyone with respect and dignity at all times, promoting individuality and fostering independence.

The family and friends of our residents are encouraged to work with our well-trained and compassionate staff in planning for their care. This cooperation helps make this home a valuable asset to the community.

We fulfill the needs of many types of people diagnosed with Alzheimer's disease and other forms of Dementia. We consider each candidate for admission on an individual basis. Monthly rates are based on the resident's required level of care.

We welcome you to visit our home at any time. See for yourself how our commitment translates into excellent services provided by our team of care providers.

At the Meadows, our residents truly become a part of our family.

"Words cannot convey the gratitude I feel for the help and support you and your staff gave us...Thank you so very much!"
